

FLOOR CONDITIONER AND NEUTRALIZER

TECHNICAL DATA

PHYSICAL PROPERTIES

1. Appearance White granules and crystals
2. pH, 25°C 1% solution 4.4
3. Bulk Density 25°C 54.13 lbs/ft³
4. Water solubility Complete
5. Melting point 153°C
6. Active Ingredients Mild organic acid
7. Cleaning effectiveness Excellent
8. Flash point Noncombustible

TEST METHODS

2. ASTM E70

HILLYARD
ARSENAL[®]

LABEL INFORMATION #831

FLOOR CONDITIONER AND NEUTRALIZER

In Water Soluble Packets

Neutralizes alkaline residue, conditions floors for better sealing, and counteracts odors. Use wherever alkalinity problems exist. Use after stripping or everyday cleaning for a finish that shines brighter, seals better, lasts longer, and eliminates odors on floors.

DIRECTIONS:

After cleaning or stripping, remove stripping or cleaning solution.

Add one packet to 3 gallons of warm water and stir gently to form a uniform solution.

Apply solution with mop, sponge, or cloth.

On floors to be sealed or finished, first pick up solution with mop or wet vac, then let air dry. Damp mop rinse with clean water. For other applications, allow surface to air dry.

DISCLAIMER OF WARRANTY

Seller makes no warranty of any kind, express or implied, except that this product shall be of seller's standard quality.

HMIS Rating: Health = 1, Flammability = 0, Reactivity = 0

CAUTION

HARMFUL IF SWALLOWED

CAUSES EYE AND RESPIRATORY TRACT IRRITATION

CONTAINS: CITRIC ACID (CAS #77-92-9); SODIUM CARBONATE (CAS #497-19-8). Do not get in eyes or on skin. May cause burning to eyes. Do not take internally.

FIRST AID: EYES: If contact with eyes occurs, flush with plenty of cool water for 15 minutes. Consult a physician. **EXTERNAL:** May be irritating to skin. If contact occurs, flush with water and wear gloves in the future to minimize exposure. Wash hands thoroughly after handling. Discontinue use if irritation persists and consult a physician. **INTERNAL:** May be harmful if swallowed. If ingested, drink large amounts of water or milk. DO NOT induce vomiting. Get medical attention immediately. Avoid contamination of foods.

See Material Safety Data Sheet for additional information.

KEEP OUT OF REACH OF CHILDREN

FLOOR CONDITIONER AND NEUTRALIZER IN WATER SOLUBLE PACKETS

Removes Alkaline Residue Left From Stripping

Arsenal[®] Floor Conditioner And Neutralizer prepares your floors for sealing and coating, plus prevents leveling and powdering problems. Dulling, discoloring, and hazing problems are eliminated so floor finishes look better and last longer.

Makes Neutralizing Floors Easy

Arsenal Floor Conditioner And Neutralizer takes the guesswork out of diluting and mixing procedures. It comes packaged in portion-controlled, water-soluble, Hil-Pac[®] pouches. Simply add one packet of Arsenal Floor Conditioner And Neutralizer to 3 gallons of water, wait 30 seconds for the package to dissolve, and then gently stir to form a uniform solution. It's that easy.

Works On Carpets

Arsenal Floor Conditioner And Neutralizer removes excess carpet shampoo, unsightly spots caused by hard water, and the white residue left by ice melters. Simply dissolve one packet in 3 gallons of water, then spray or dispense through a carpet extractor.

Professional Cleaning...By The Numbers

The Arsenal line of products delivers Hillyard cleaning quality in an easy-to-dispense, easy-to-use family of products. Arsenal products are formulated for professional cleaning and are color coded with large matching numbers on both the concentrated and ready-to-use container labels for easy mixing and use. Ask your Hillyard representative about the complete line of Arsenal professional cleaning products. They are just another example of high quality from Hillyard.
